**DESIGNERS**

**ARCHITECTS**

**BUILDERS**

This is it! Learn how to integrate best practices into a holistically designed, air tight building for your clients. Don't miss this innovative workshop with building envelope expert, Hamid Heidarali, as he builds upon previous sessions and demonstrates how to achieve a seamless system.

**Thursday October 3, 2019**

**7:45am - 5:00pm**

**Kimberley Conference Centre**

**8 CPD Points from BC Housing**
