

Bruce Murdoch of K-Country Homes invites you to attend a tour and mid-construction air tightness test of a high-performance home.

---

Date: Tuesday December 18th, 2018

Time: 10:00 AM

Location: 971 313th Drive, Marysville

---

This air tightness test is an opportunity to learn about the BC Energy Step Code and what it takes to get high performance in the East Kootenay. This home is expected to perform 40% better than a home built to current BC Building Code.

Refreshments will be provided!
